

# HISTORIC *Beverly*

3 Houses, 5 Centuries, 1000s of Stories

Since 1891, Historic Beverly has collected, preserved and interpreted Beverly history. We accomplish those goals through:

- **Preservation** and interpretation of our three historic sites: Balch House, Hale Farm and the Cabot House
- **Acquisition** and conservation of objects and documents related to Beverly history
- **Research** services for students, teachers, scholars and the public
- **Lectures, tours** and community-wide events, including Beverly Homecoming and Trails and Sails
- **Collaborative activities** with local and regional institutions like Beverly Main Streets and the Essex National Heritage Area

Corporate supporters are recognized in our newsletter, sent to hundreds of individual and institutional members. Businesses may become corporate members through the donation of money or the equivalent in goods or services. Some ways to give include:

- Gardening, tree work or other landscaping services
- Printing or mailing services
- Carpentry, plumbing or other building work
- Office supplies
- Food or catering
- Conservation
- Graphic design

Please contact us at 978-922-1186 or [info@BeverlyHistory.net](mailto:info@BeverlyHistory.net) if you would like additional information, or for a tour of one of our historic sites. We look forward to working with you to preserve and enhance the cultural life of our community.
